

-Semester Activity-
for Information Technology Center
from 10/1/2020 to 10/4/2020

	Activity	Details
Scientific Axis	Conferences (accommodation or participation) name, place and date of the conference	None
	Seminars (accommodation or participation) Name, place and date of the seminar	None
	Workshops (accommodation and participation) Name, place and date of the workshop	<p>1- Holding a workshop for university leaders for the English websites, the official mail, and the academic profile in the Information Technology Center by the staff of the Websites Division on 22/1/2020.</p> <p>2- Holding the first specialized workshop representative members from the scientific departments for the website in the Information Technology Center by the staff of the Websites Division on 01/26/2020.</p> <p>3-Holding the second specialized workshop for the representative members of the website for the scientific departments in the Information Technology Center by the staff of the Websites Division on 27/1/2020.</p> <p>4-Holding the third specialized workshop for the members of the website link for the centers and directorates in the Information Technology Center by the staff of the Websites Division on 28/1/2020.</p> <p>5-Participation as an attendee in a workshop entitled (Instructions for Scientific Promotions and their Procedures) in the Electrical Engineering Department at the University of Technology on 7/1/2020.</p> <p>6-Participation as an attendee in a workshop entitled (The Hazards of CBRN Materials), which was held by the Chemical Engineering Department at the University of Technology on</p>

		<p>13/1/2020.</p> <p>7-Holding a workshop entitled the mechanism for supervisors in the departments and how to use it to control the official accounts of the lecturers and employees of the concerned department in the Information Technology Center by the staff of the Websites Division on 17/2/2020.</p> <p>8-Holding a workshop for the standardized electronic English language exam for postgraduate studies at the Information Technology Center for the period from 5/2/2020 to 6/2/2020.</p>
	The number of achieved scientific research	None
	Study Groups	None
	Scientific visits	None
	Agreements and Memoranda	None
Engineering and technical axis	Laboratories (buildings and supplies)	None
	Holding courses (number - course name - place)	<p>1- A training course to develop the staff of the Websites Division at the university. In order to show the mechanism of work of the web masters and the work of updates and designs. This course was held in the Information Technology Center by the staff of the Websites Division on the date of 20/2/2020 to 21/2/2020.</p> <p>2- An installation and maintenance course for desktop and laptop computers held in the Information Technology Center by the center's staff for the period from 16/2/2020 to 20/2/2020.</p> <p>3- The design course using Photoshop was held in the Information Technology Center by the center's staff for the period from 2/2/2020 to 6/2/2020.</p> <p>4- (HTML5 & CSS3) course held in the Information Technology Center by the center's staff for the period from 2/2/2020 to 6/2/2020.</p> <p>5- (ICDL v5) course held in the Information Technology Center by the center's staff for the period from 5/1/2020 to 23/1/2020.</p> <p>6- SQL Server 2012 Database Management System course held in the Information Technology Center by the center's staff for the period from 26/1/2020 to 6/2/2020.</p> <p>7- Network Design and Management course using MikroTik was held in the Information</p>

		<p>Technology Center by the center's staff for the period from 16/2/2020 to 20/2/2020.</p> <p>8- (Windows server 2016) course held in the Information Technology Center by the center's staff for the period from 9/2/2020 to 13/2/2020.</p> <p>9- The Academic Research course was held in the Information Technology Center by the center's staff for the period from 16/2/2020 to 20/2/2020.</p> <p>10- A course on computer efficiency methods held in the Information Technology Center by the center's staff for the period from 2/2/2020 to 6/2/2020.</p> <p>11- Computer Efficiency Methods Course held in the Information Technology Center by the center's staff for the period from 9/2/2020 to 13/2/2020.</p> <p>12- Computer Efficiency Methods Course held in the Information Technology Center by the center's staff for the period from 23/2/2020 to 27/2/2020.</p>
	Engineering Projects	<p>Management and implementation of the electronic exam for the English language for postgraduate students (high diploma - master's - doctorate) in all departments of the university on 5-6/2/2020.</p>

-Semester Activity-

for Information Technology Center

from 10/4/2020 to 10/7/2020

	Activity	Details
Scientific Axis	Conferences (accommodation or participation) name, place and date of the conference	None
	Seminars (accommodation or participation) Name, place and date of the seminar	<p>1-Participation as an attendee in the symposium under the title (intellectual property rights) held by the Central Library Directorate at the Central Technical University and on the electronic communication platform on April 28, 2020.</p> <p>2-Participation as an attendee in the symposium under the title (Statistical applications in measuring mental processes) held by the Department of Continuing Education at Al-Hamdania University and on the electronic communication platform on 12/5/2020.</p>

		<p>3-Participation as an attendee in the scientific electronic symposium tagged (Illuminations in Scientific Research), which was held by the College of Education at the University of Kufa on 5/16/2020.</p>
<p>Workshops (accommodation and participation) Name, place and date of the workshop</p>		<p>1-Participation as an attendee in the workshop (Legalizing Training Loads According To The Modern Scientific Perspective) held by the College of Physical Education and Sports Sciences at Al-Mustansiriya University and on the electronic communication platform on 13/5/2020.</p> <p>2-Participation as an attendee in the training workshop (Academic Supervision In The E-learning Spectrum) held by the Rehabilitation and Employment Division at Dhi Qar University and on the electronic communication platform on 5/18/2020.</p> <p>3-Participation as an attendee in a training workshop entitled (Time Management), which was held by the Continuing Education Center at the University of Baghdad on the electronic communication platform on 5/21/2020.</p> <p>4-Participation as an attendee in the training workshop (Internet of Things IOT and the future of data management), which was held by Al-Mansour University College in cooperation with the Iraqi Association for Libraries and Information on the social media platform on 5/21/2020.</p> <p>5-Participation as an attendee in a workshop entitled (Publishing in Sober International Journals), which was held by the Technical Institute in Diwaniyah and on the electronic communication platform on 5/21/2020.</p> <p>6-Participation as an attendee in a workshop entitled (Treatment by reading in the face of quarantine for the Corona pandemic), which was held by Al-Mansour University College in cooperation with the Iraqi Association for Libraries and Information on the social media platform on 2/6/2020.</p> <p>7- Participation as an attendee in an electronic training workshop entitled (Endnote Referencing), which was held by the Continuing Education Unit at the University of Al-Muthanna on 7/6/2020.</p> <p>8- Participation as an attendee in a training workshop entitled (Information Security in the Higher Education Sector), which was held by Al-Mansour University College and on the social media platform on 13/6/2020.</p> <p>9- Participation as an attendee in a training workshop entitled (IELTS & TOEFL exams), which was held by Al-Mansour University College in cooperation with the Iraqi Association for Libraries and Information and on the social media platform on 20/6/2020.</p>
	<p>The number of achieved</p>	<p>None</p>

	scientific research	
	Study Groups	None
	Scientific visits	None
	Agreements and Memoranda	None
Engineering and technical axis	Laboratories (buildings and supplies)	None
	Holding courses (number - course name - place)	<p>1- Attending a training course entitled (Using the Mendeley software for managing and arranging references), which was held at the College of Engineering at the University of Mosul on the social media platform on 5/21/2020.</p> <p>2- Attending a training course entitled (Academic Writing and Global Publishing), which was held at King Khalid University in the Kingdom of Saudi Arabia on the electronic communication platform for the period 10-11/6/2020.</p> <p>3- 25 courses in computer efficiency for students applying for postgraduate studies were held electronically by the staff of the Computer Efficiency Committee at the Information Technology Center and on the Google classroom platform for the period 6/27/2020 to 10/10/2020.</p>
	Engineering Projects	None

-Semester Activity-

for Information Technology Center

from 10/7/2020 to 10/10/2020

	Activity	Details
Scientific Axis	Conferences (accommodation or participation) name, place and date of the conference	Huawei conference for Academic lecturers and employees on August 19, 2020 at the Information Technology Center.
	Seminars (accommodation or participation) Name, place and date of the seminar	Participation as an attendee in the symposium tagged (Sayyida Zainab, the icon of immortality, a vision according to the Qur'anic text), which was held by the Karbala Center for Studies and Research and the Badan Academic Foundation and on the electronic communication platform on 08/22/2020.
	Workshops (accommodation and participation) Name, place	1- Participation as an attendee in an electronic workshop via the Fcc platform entitled (Workshops and conferences in light of the Corona pandemic) presented by the

	and date of the workshop	Directorate of Youth and Sports of Dhi Qar on 20/7/2020. 2- Holding a workshop on the mechanism for creating and updating electronic tables in the Information Technology Center on 11/26/2020, where the mechanism and the programming code were explained and in the presence of representative members of the scientific departments, and all the inquiries raised on the topic of the workshop were discussed.
	The number of achieved scientific research	None
	Study Groups	None
	Scientific visits	None
	Agreements and Memoranda	Participation in the team work to organize the Huawei Academy agreement in the IT center is still in progress.
Engineering and technical axis	Laboratories (buildings and supplies)	None
	Holding courses (number - course name - place)	1- Holding 25 courses in computer efficiency for students applying for postgraduate studies electronically by the staff of the Computer Efficiency Committee at the Information Technology Center and on the Google classroom platform for the period 6/27/2020 until 10/10/2020. 2- A course on computer efficiency methods held in the Information Technology Center by the center's staff for the period from 27/9/2020 to 10/1/2020.
	Engineering Projects	Managing and implementing the electronic competitive exam at the Information Technology Center on 10/10/2020.

-Semester Activity-
for Information Technology Center
from 10/10/2020 to 10/1/2021

	Activity	Details
Scientific axis	Conferences (holding or participating conference, the date and the place)	None
	Seminars (accommodation or	None

	participation) Name, place and date of the seminar	
	Workshops (accommodation and participation) Name, place and date of the workshop	Holding a workshop for managing and implementing the electronic competitive exam at the Information Technology Center on 10/18/2020
	Scientific researches	None
	Study groups	None
	Scientific visits	None
	Agreements and Memoranda	<p>1-The conclusion of an agreement to host the direct admission system for morning and evening preliminary studies between the University of Technology / Information Technology Center and Nass Iraq Company, starting from 1/9/2020 and continuing.</p> <p>2- Participation in the work team for organizing the Huawei Academy Agreement In the IT center and still going.</p>
Engineering and technician axis	Laboratories (building and supplies)	Maintaining, equipping, fogging and preparing the center's laboratory halls to host various courses throughout the year.
	Holding courses (number of courses, course name, place)	<p>1-Holding computer efficiency courses For the purpose of applying for postgraduate studies at the Information Technology Center starting from 1/12/2020 and continuing.</p> <p>2- Holding a state employee promotion course at the Information Technology Center on 10/11/2020 until 10/28/2020.</p> <p>3- Holding a course on computer efficiency methods online on the Google classroom platform at the Information Technology Center for the period from 10/24/2020 to 10/29/2020.</p> <p>4- Holding summer training courses for university and private college students at the Information Technology Center from 3/11/2020 to 3/12/2020.</p> <p>5- Holding a course on computer efficiency methods electronically on the Google classroom platform at the Information Technology Center for the period from 7/11/2020 to 11/12/2020.</p>

		<p>6- Holding a course on computer efficiency methods online on the Google classroom platform at the Information Technology Center for the period from 11/22/2020 to 11/26/2020.</p> <p>7- Holding a course on computer efficiency methods online on the Google classroom platform at the Information Technology Center for the period from 12/12/2020 to 17/12/2020.</p> <p>8- Holding the official supervision course on the Google platform for official accounts on 12/21/2020.</p> <p>9- Holding a course on the principles of computer networks using Mikrotik in the Information Technology Center on 27/12/2020 until 31/12/2020.</p> <p>10- Establishing a mechanism course for managing, creating and uploading academic profile files for teachers in the Information Technology Center on 12/27/2020.</p>
	Engineering projects	None
